PROFESSIONAL SUMMARY

Web Developer and UI/UX Designer with hands-on experience building and deploying full-stack web and mobile applications. Skilled in React, Next.js, Laravel, PHP, MySQL, and Firebase, with experience delivering projects independently from requirements gathering through deployment. Strong background in practical, user-focused software development and project documentation

WORK EXPERIENCE

Divine Word College of Calapan

Jun 2026 – Aug 2026

System Developer (Project-Based)

Calapan City, Oriental Mindoro

- Independently developed and deployed DWCC AccessLib, serving 3,000+ students across the College and Basic Education campuses.
- Built a centralized library management platform using React and MySQL to digitize manual workflows and streamline library operations.

SmartBridge, Inc.

Feb 2026 – May 2026

Salesforce Platform Developer Intern

- Completed Salesforce Trailhead and SkillWallet modules, including Superbadges, and earned AgentBlazer Champion and Innovator credentials.
- Prepared project documentation including BRD, RACI, AS-IS/TO-BE process analysis, and UAT.

Self-Employed

Oct 2022 – Present

Freelance Web & Mobile Developer

Oriental Mindoro, Philippines

- Delivered end-to-end web, mobile, and UI/UX solutions, managing projects from requirements gathering and development through deployment.
- Developed custom solutions based on client requirements while applying usability-focused design and scalable development practices.

PROJECTS

ECEasy Pay - Payment Kiosk & Student Payment System

Jan 2026 – May 2026

System Developer

- Developed a payment kiosk and student payment system using Laravel, React, MySQL, and PayMongo API, with digital receipts and a transaction ledger for payment tracking.

EDUCATION

Divine Word College of Calapan

Aug 2022 – Jun 2026

Bachelor of Science in Information Technology

Calapan City, Oriental Mindoro
